If you liked Market Day pies, the same Legendary pie from the same Legendary bakery is now available through UNIPAK Supply!

Dear Valued Customer,

When it comes to pie, no one does it better than Legendary Baking - with over 550 blue ribbons to prove it. We care about pie almost as much as we care about kids, which is why we are proud to announce our partnership with UNIPAK Supply, the very best in school fundraising to bring great pie to great schools everywhere.

The same pie that came from Market Day for 15+ years is now being provided by UNIPAK Supply allowing kids and schools everywhere to fund important programs with The Best Pie in America[®]. We at Legendary Baking are proud of our award winning heritage and are proud to bring it to your kitchen and help schools along the way.

Thank you from our family to yours!
